## GIANTS LEAD BY ONE RUN WITH TWO-THIRDS OF THE GAME GONE

Meusel Puts One in Left Field Bleachers And Scores Two Ahead Of Him In First

YANKS SCORE ONE IN FIRST

Ward Hits Homer in Fourth With None On Base And Puts Team In Striking Distance

(By United Press)

Polo Grounds, New York, Oct. 5.—The Giants were leading the Yankees, 3 to 2 at the end of the sixth inning in the second game of the world series here this afternoon.

Meusel put one in the left field bleachers in the first inning and scored two ahead of him. The Yanks scored a run on a hit and an error in the first and Ward hit a homer in the fourth with no one on base.

FIRST INNING

Giants—Baneroff out. Ward to Pipp. Groh singled to center. Frisch singled to left. Groh stopped at second. Meusel put a home run into left field bleachers, scoring Groh and Frisch. Young flied to Witt. Kelly fouled to Schang.

Three runs. Three hits. No errors.

Yankees—Witt beat a bunt down the third base line, making the bag by a step. The umpire called it a foul ball. Witt out. Groh to Kelly. Dugan safe on Baneroff's wild throw, going to second when the overthrown rolled into the stand. Ruth grounded to Kelly. Dugan going to third. Dugan scored when Pipp knocked one off Kelly's shoulder into the right field. Meusel flied to Young.

One run. One hit. One error.

SECOND INNING

Giants—Stengel beat out a hit to Scott, who made a nice pickup. Snyder singled over first. Stengel stopping at second. Cunningham ran for Stengel. Barnes hit into a double play. Scott to Ward to Pipp. Cunningham going to third. Baneroff flied to Ruth.

No runs. Two hits. No errors.

Yankees—Cunningham now playing center for the Giants. Schang out. Frisch to Kelly. Ward out. Groh to Kelly on first ball pitched. Scott out. Frisch to Kelly.

No runs. No hits. No errors.

THIRD INNING

Giants—Groh walked. Frisch flied to Ruth. Groh was held at first. E. Meusel flied to Ruth. Young walked. Kelly fanned swinging.

No runs. No hits. No errors.

Yankees—Shawkey out. Groh to Kelly. Witt fouled out to Groh. Dugan doubled over third base. Ruth walked. Pipp out. Barnes to Kelly.

No runs. One hit. No errors.

FOURTH INNING

Giants—Cunningham fanned. Snyder fouled to Dugan. Barnes fanned.

No runs. No hits. No errors.

Yankees—Meusel fouled out to Snyder. Schang fanned. He was retired. Snyder to Kelly when Snyder dropped third strike. Ward hit a home run over the left field fence. Scott flied to Frisch.

One run. One hit. No errors.

FIFTH INNING

Giants—Baneroff lined to Pipp. Groh out. Scott to Pipp. First time Groh failed to hit or walk in series. Frisch beat out a bunt down first base line. Frisch stole second on short passed ball. Frisch stole third on another wild pitch. Meusel out. Scott to Pipp.

No runs. One hit. No errors.

Yankees—Shawkey flied to Cunningham. Witt out. Barnes to Kelly. Dugan singled to left. Meusel made nice play and prevented a double. Ruth out. Frisch to Kelly.

No runs. One hit. No errors.

SIXTH INNING

Giants—Young beat out a hit to Scott, who fumbled but got it over on close play and it went for a single. Kelly forced Young at second. Shawkey to Ward. Cunningham flied to Ruth. Snyder flied to Ruth.

No runs. One hit. No errors.

Yankees—Pipp fouled out to Snyder. R. Meusel walked. Schang out. Frisch to Kelly. Meusel stopping at second. Ward fanned.

No runs. No hits. No errors.

### SAFETY SAM

Windshields seem t' be gettin' treated kinda rough these days; I see by th' paper that when some autos collided t'other day, a five year old girl was throwed through one an' killed.

## INTIMIDATION IS SEEN IN NEW MOVE

Turkish Cavalry Enters City Of Kandara Adjacent To The Allied Neutral Zone

Menace To Constantinople

Signing of Protocol Providing For Return Of Thrace To Turks Expected Momentarily

London, Oct. 5.—The British cabinet met at 5 o'clock this afternoon, after an important dispatch from General Harington at Mudania had been received.

Constantinople, Oct. 5.—(10:45 a. m.)—Turkish cavalry has just entered the city of Kandara, adjacent to the Ismid neutral zone, and the move is regarded with alarm here as constituting a menace to Constantinople. It is considered that Kemal has ordered the move to intimidate the allies.

By EDWARD J. BING (U. P. Staff Correspondent) Constantinople, Oct. 5.—The Mudania peace conference apparently has achieved remarkable success in withdrawal from the neutral zones near East.

Official announcement of the signing of a protocol providing for the return of the Turks to Eastern Thrace coincidentally with their withdrawal from the neutral zones near the straits was momentarily expected here.

The way has been paved for a final conference at which Mustapha Kemal and allied leaders will agree upon disposition of disputed Near East territories and the threat of a Holy war removed.

The turning point at the secret parley at Mudania came when allied representatives were convicted that the Turks genuinely desired to return eastern Thrace for peaceful occupation of their former territory. When they conceded this point, the Kemal representative became immediately conciliatory, and agreed not only to withdrawal of their troops from the neutral zones east of the straits, but to the proposal that Turkish forces should not enter Thrace until after the final peace conference.

The allies are to remain in control of Thrace, from which the Greeks will be requested to withdraw, until a sound Turkish administration can be set up. It is estimated this will take a month.

One stumbling block appeared to remain today in the path of compromise. Continued on Page Three

## YOUNG MAN ASKS CLEMENCY

Emerson Sproghum Sentenced Here on Charge of Forgery

In the list of 72 cases for clemency to be heard before the State Board of Pardons at their October session, appears one prisoner sentenced from Rush county, who is Emerson Sproghum, sentenced on a charge of forgery. The records here show that the defendant was 17 years old, and was given a 2 to 14 years term at the state reformatory on September 10, 1921, after having admitted the fact that he had forged a check. It is his first attempt to secure clemency.

Besides the list of 72 cases, there are also five old cases to be reopened for a hearing, and the board will no doubt have a busy session.

## HOT DRY WEATHER HINDER FARMERS

Delays Sowing Of Wheat And Dries Up Corn Crop Prematurely Reducing County Yield

TOO DRY FOR SEEDING NOW

Farmers Have No Great Fear Of "Fly" Because Of Lateness Of Season And Scarcity Of It

The unusually warm weather of the last few weeks has hindered and set back wheat sowing in Rush county considerably and also has resulted in the corn crop dying prematurely.

"The corn will most likely be chaffy this fall," one man is quoted as saying, "and not up to the expectations caused by its rapid growth during the summer."

Several weeks ago farmers could see nothing but a bumper corn crop this year because of the ideal conditions attending its early development and growth. The long period of hot dry weather, however, stopped the maturing of the corn and caused it to dry up before the ears had reached the proper stage of development.

The conditions have put the corn out of the frost danger and a sharp decline in the temperature at this time would not be damaging. Many farmers began hogging their corn down two or three weeks ago when it began to dry up.

The corn will not have the feeding value that it would have had if some rain had fallen in the last month. The yield according to the best estimates will be lower than last year, when the average for the county was forty-eight bushels to the acre.

Within a short time it is thought corn shredders will be brought in operation. Farmers say that more than the usual amount of corn will be shredded this year as it will be needed for feed to make up for the reduced crop of hay which was cut short by the drought.

Farmers have been delaying the sowing of wheat, not so much because of the fear of the "fly" as of the hot weather. Little emphasis has been placed on the danger of the "fly" this year because there was only a 20 percent infestation in Rush county last year. The "fly" travels in a seven year cycle and the time for the next visitation is three years hence.

Comparatively little ground was broken early in the season, farmers say, and the fields which were plowed a short time ago are so dry that it is doubtful if the seed would sprout. Under normal conditions the period between October 2 and 10

## NO ACTION IS TAKEN BY THE GRAND JURY

Investigators Will Continue Probe of Walker Township Farmer's Death Later It Is Said

MANY WITNESSES WEDNESDAY

No action was taken by the grand jury Wednesday, when they met to investigate the death of William Bracken Wagoner, a prominent farmer of Orange township, under conditions regarded by some as mysterious, and it is understood that the investigators will again take up the matter in a few days, probably from a different angle.

It is not known upon what angle the grand jury has had the matter under investigation, although there were a great many witnesses from Orange township before them yesterday. The witnesses included members of the family, neighbors, the county coroner and the under taker who had charge of the funeral.

It is not known who brought the matter to the attention of the grand jury, but it has been intimated that a member of the family became suspicious.

## SENATOR WATSON TO TALK AT MORRISTOWN

Large Delegations From All Over Central Indiana Expected There Wednesday Night, Oct. 11

LOCAL REPUBLICANS GOING

Senator James E. Watson of this city will speak under a tent at Morristown next Wednesday evening, October 11, according to an announcement made today by republican party workers there. On account of the prominence of Senator Watson in the Indiana campaign, it is expected that seats will be at a premium. Crowds are expected from all over central Indiana, including many Rush county republicans who will go to hear him.

None of Senator Watson's engagements during the present campaign are in towns as small as Morristown and the political leaders there are elated because he has consented to come.

The republican state committee announced today that every county in Indiana will be visited by one or more of the candidates on the republican state ticket during the next four months. William G. Oliver, state auditor and candidate for re-election, will be in Rush county Monday October 16, according to the itinerary which has been made.

## Ladies In Tights Barred From Polo Grounds by General Consent of Fans

Female Godiva, In What Resembled White Union Suit, Who Pranced Around Bases Before First Game, Definitely Eliminated From Picture After Razzing She Received Wednesday

By CARL VICTOR LITTLE (U. P. Staff Correspondent)

Polo Grounds, New York, Oct. 5.—Ladies in tights were barred from the Polo grounds today by General Consent of fandom.

The lady Godiva, in what resembled a white union suit, who pranced around the bases before the first game of the Yank-Giant city series was definitely eliminated from the picture after the razzing she received yesterday. The lady staged a trick walking contest to amuse the fans. Fans let it be known that they did not want any scantily garbed cuties mixed up with the he-man's sport.

"Mr McGraw, we are here," said General Blackjack Pershing when he entered a box with Judge Landis, who runs the show.

And the crowd went wild.

One of the first in line before the

\$1.10 gate this morning was Miss Sally Brown of Harlem. She picked Siki to win the world series.

Baseball experts presented their annual alphas after picking the wrong team to win the first game. In covering up, they stated that the dope would not have been up set in the eighth inning of the game if the inning had been eliminated.

Instead of rushing to the field when the game was over and cheering up the hard working baseball players, hundreds of fans besieged Jack Dempsey and allowed him to autograph their programs.

Ticket scalpers are nil this year. All of the gentlemen have evidently taken up bootlegging.

"My old Kentucky" home is the song hit of the series. The band harped on the one tune all day long. The why of it is not known, as my old Scotch home would be more appropriate.

Nick Altrock and Al Schacht, the Mr. Gallagher and Mr. Sheehan of baseball, had a lot of new tricks. Continued on Page Five

## VETERINARIAN OF MILROY ACCUSED

Dr. Elbert Morris of Milroy Arrested Early Today by Horse Thief Detective Constables

TWO CHARGES TO BE FILED

Arrest is Outgrowth of Complaints by Parents of Two Girls Living in The Vicinity

Dr. Elbert Morris, veterinarian of Milroy, was arrested early this morning and placed in jail here, and it was expected that two charges would be preferred this afternoon against him, one charging him with carrying concealed weapons, and the other with encouraging delinquency.

The accused was arrested by Clyde Kitchen, captain of the Anderson township branch of the Horse Thief Detective Association, and several other members of the order, about two o'clock this morning in front of the hotel in Milroy.

He was brought here by the Milroy people, and turned over to Sheriff Hunt. As soon as charges were to be filed against him it was understood that bondsmen were ready to secure his release.

Morris is about 30 years old. He is married and has two children.

According to the story of the affair, it is stated that Morris has been keeping company with Helen Riffe, 16 or 17 year old daughter of Mr. and Mrs. Lou Riffe, living southwest of Milroy, and that he has been previously warned that he should keep away from the girl.

It is a known fact that the grand jury had before them a few weeks ago, the girl, and her parents, and another girl who resides in Williams-town, and her parents, but nothing was done only in the way of issuing a warning to the girls and their parents.

The parents are said to have told the officers that they were helpless and could not prevent their daughters from going with the accused.

It is stated that last night, the Milroy veterinarian sent someone else to the Riffe home to get the girl, and they met at a distant point. The Anderson township officers followed, it is said, but did not arrest Morris until he returned to Milroy about two o'clock in the morning.

It is said that as Morris was walking up the steps to the hotel, Captain Kitchen commanded him to halt with a drawn revolver, and after he surrendered, it is alleged that a 44 calibre revolver was found on his person.

It also is understood that a few weeks ago, the defendant appeared at the Riffe home one evening, and the girl went away with him upon protest of the father. It is stated that at this time, Mr. Riffe, the girl's father, threatened him with a gun, but the veterinarian is said to have rebuked him by drawing a revolver, and the girl went away with him.

The Milroy branch of the association has been very active in recent weeks in enforcing law and order in the township, and each of the 65 members have rigid police power to arrest anyone charged with any kind of a crime, and they are not confined to tracing of thieves, as the name implies.

## JOE DICKMAN DEFENDANT

Former Rushville Man Sued For Divorce By Grace L. Dickman

Mrs. Grace L. Dickman is plaintiff in a suit filed in the Shelby circuit court against Joseph Dickman, the complaint being for divorce and custody of two children. The parties in the action formerly resided in this city, and are well known here. Mrs. Dickman has been conducting a beauty parlor in Shelbyville. According to the complaint, they were married in January, 1904 and separated in June, 1921, and she charges cruel and inhuman treatment.

Mrs. Dickman asks for the custody of the daughter, Exine and the son Joe Ed., and for \$10 a week support for the two children.

## 8 Column Standard Keyboard Adding and Listing Machine

A full size, finely finished machine that will do anything any standard adding machine will do. Weighs only about 27 lbs. May be carried from desk to desk or used on stand. Only standard machine at anywhere near the price. Simplest and therefore the most durable machine made. Fully guaranteed. Has over 1000 less parts than others, hence the very low total price of \$100 for cash, \$110 on time payments.

## FREE TRIAL

These are strong statements. They demand proof and we are ready to furnish that proof without the slightest obligation, by allowing you a **Free Trial** of the Victor in your own office. Forget the price and compare it point for point with any other machine made. If the Victor doesn't measure up to your ideals in every respect we don't want you to buy it. Good business demands that you investigate the Victor at once. Our Free Book illustrates and describes the machine and its uses in every detail. Mail the coupon today for your free copy. It may save you a lot of money. Don't wait until you are ready to buy. Mail the coupon today. Find out what \$100 will buy in an adding machine!

## BURNEY STATE BANK CLOSED

Indiana Officials Act At Request Of The Directors

Greensburg, Ind., Oct. 5.—A heavy run on the Burney State Bank near here by depositors forced directors of the institution to request that it be closed by state officials temporarily.

Insecure loans last month resulted in a fifty percent assessment on stockholders to put it in good condition. Some of the stockholders refused to pay the assessment and the directors decided to close the doors.

## BIG SUM FOR SCHOOL HOUSES

Seven Million Invested In Indiana During Past Year

Indianapolis, Ind., Oct. 5.—Seven million dollars worth of school buildings were constructed in Indiana last year.

Reports to the state board of education made public today showed 126 schools had been built in sixty-four out of the ninety-two counties. Expenditures by Wayne and Marion counties were each more than \$500,000. Six buildings went up in Gibson county.

RUSH COUNTY TO BE REPRESENTED

A. W. Wilkinson To Look After Rush County Delegation For Murat Temple Celebration

WILL BE HELD DECEMBER 15

Will Mark Completion of Addition To Home Of Indiana Shriners In Indianapolis

A notable achievement in the fraternal world is now being witnessed in Indianapolis in the completion of the \$500,000, addition to Murat Temple, the home of the Nobles of the Mystic Shrine. The undertaking is of state wide interest, in as much as the membership of the Temple extends to all parts of Indiana. When the finishing touches are put on the enlarged mosque, the estimated value will be something like \$1,250,000, and the building with its elaborate equipment, will be one of the largest and most complete in all Shrinedom of North America.

Every town in the state where there is a Shriner is to be represented in the big celebration to be held December 15, which will mark the successful conclusion of the project. James S. McCandless, the Imperial Potentate, and other Imperial officers of the Order have been invited to be present, and another chief feature of the occasion is expected to be a record breaking class of candidates. A. W. Wilkinson has been appointed by John E. Milnor, the Illustrious Potentate of Murat, to look after the representation from Rushville and vicinity. He has been authorized to name his own committee and take care of all details regarding the candidates for the big class.

The Mystic Shrine was established in America in 1872 with its membership drawn from Knights Templars and Scottish Rite Masons. It now has nearly two hundred Temples in North America and the Nobles number more than 500,000. While the slogan is "good fellowship" and its annual meetings are the most spectacular held in the country, due to the gorgeous regalia of the organization, the Order has taken front rank in philanthropy, having begun the establishment throughout the country of a series of hospitals for crippled children, free to all, irrespective of race or creed.

The new addition to the Temple was planned to provide ample and comfortable accommodations for the steady growth of the Murat membership which now totals nearly 10,000. A noteworthy feature of the new improvement is that not a cent of extra assessment has been taxed against the Nobles. The necessary bond issue was over-subscribed before it was allotted.

OKLAHOMA GIRLS ARE CHAMPION ROPERS

Vinita, Okla., Oct. 5—Teddy Lee Harmon, 8, and Lucille Harmon, 10, known as the "Harmon Sisters" have been granted the title of "Champion Child Ropers of the World" by popular verdict.

The sisters are the children of Jim Harmon, rancher, of Vinita.

The girls gained their title through roping, riding and exhibitions at rodeos and round-ups held throughout the southwest this year.

The two girls have performed before General Pershing, General Diaz, Mme. Schumann-Heink and other notables. They were awarded first prize at the recent American Legion convention at Kansas City.

They have been riding and handling ropes since they were two years old according to their father.

"We are on the Square"

FIFTH GENERATION WILL USE RADIUM

Dr. A. J. Wilson Of Wabash College Declares Country Homes Will Be Heated By Radium Plants

TO TAKE PLACE OF COAL

Predicts Coal Will Be Selling For \$500 A Ton In 1975—Piece Of Radium Lasts 6,000 Years

Crawfordsville, Ind., Oct. 5—Dr. A. J. Wilson, head of the chemistry department of Wabash college, in an address here before the Kiwanis club declared that within five generations the country's homes may be heated by radium plants which will last forever.

"Radium," he said "is found in Austria, Norway and Sweden in substances known as pitch blend. When it was discovered about 25 years ago by Madam Curie, it was conflcted with the theories of conservation of energy and resistance of matter. "The mineral is common in compounds of bromide and is used medically in substances which greatly resemble common table salt. Its physical properties taken in its pure form are those of a silver-like metal, soft and heavy, with the following possibilities: it can charge itself electrically; it can illuminate itself and can produce heat energy spontaneously.

"All the coal in the world will be exhausted in five generations it is claimed and it is going to be incumbent upon the people of the earth to provide a substitute. With coal selling in 1975 at \$500 a ton, we may pick up our daily paper and read a want ad like this 'For sale or rent—modern ten room house with radium heating system, 20 pounds."

"That means that the property is equipped with a radium heating plant containing 20 pounds of the precious metal. There would be no ashes and no coal bill. We would pay rent. A piece of radium will last 6,000 years so the plant would never wear out. But since an ounce of radium would cost \$3,200,000, the new system might be but a slight saving over modern coal prices. This may not be a wild dream. The problem of coal shortage must be solved within the next five generations."

HOG ISLAND RAPIDLY BEING DEMOBILIZED

Government Decided to Dispose of Shipyard Piecemeal After Low Bids Are Received on Whole

MAY REALIZE \$25,000,000

Philadelphia, Pa. Oct. 5—Hog Island, the great shipyard where the government spent some \$270,000,000 is today almost demobilized.

Where once an army of 36,000 men labored frantically to build ships and more ships, wrecking crews are now at work with acetylene torches and other instruments of destruction.

The government decided to dispose of the great shipyard piecemeal after an attempt to dispose of it as an entity had evoked only very low bids. Nearly every day auction sales are held to dispose of things ranging from household furniture to steel in 100,000 ton lots. It is estimated that some \$25,000,000 will be realized on steel and equipment by the time the sale closes December.

But the 946 acres of Hog Island which were swamp before the war will not be useless, for government engineers have made it habitable. It is expected that some large factory will be erected there after the shipyards have been removed, as it is ideally located for such purposes.

INTIMIDATION IS SEEN IN NEW MOVE

Continued From Page One

lete agreement; namely, Greek opposition to the plan. Although Venizelos at London, and certain influential leaders at Athens have accepted the promise that Greece must give up eastern Thrace, a wave of artificial fervor has swept many Greek extremists to arms with a battle cry of fighting to the last man to restrain their present hold on what was formerly turkey in Europe.

BOY BURNED TO DEATH

South Bend, Ind Oct. 5.—Joseph C. Rupel, the four year old son of Mr. and Mrs. Alex Crupel, was burned to death late yesterday when a shed stored with oil on his parents' farm in which he was playing caught fire.

SIX HOUR, FIVE DAY WEEK TO BE DEMANDED

Continuation Of Present Wage Scale Will Also Be Sought By Miners

March 31, 1923

AGREEMENT EXPIRES THEN

Cleveland, Ohio, Oct. 5.—Continuation of the present wage scale and inauguration of the six hour, five day week until 1925 will be demanded by the United Mine workers of America when the present wage agreement expires March 31, 1923.

Members of the miners policy committee took this action by reaffirming the demands of the February 1922 convention following adjournment of the "strike prevention" conference of Bituminous operators and miners representatives here.

The miners also will demand time and one half for over time and double time for Sundays and holidays. These demands will be presented at the next "strike prevention" conference of bituminous operators and miners at Chicago, November 14. The present wage scale for day labor in bituminous mines is \$7.50 a day. This scale has been in effect since 1920. John J. Lewis re-election as president of the miners union is said to be reassured.

He is said to have received full support of approximately 6,150 locals for the nomination. George Mercier, statistician for the Illinois miners, was backed by 128 locals, it was said.

Phillip Murray, vice president, Pittsburgh, Pa., and Wm. Green secretary-treasurer, also are said to be sure of renomination.

TORCH OF WAR SEEN IN STREETS OF ATHENS

Volunteers of All Ages and Classes Crowd Recruiting Offices Answering Call to Arms

TO FIGHT RETURN OF THRACE

(By United Press)

Athens, Oct. 5—The torch of war was carried through the streets of Athens today as volunteers of all ages and classes crowded recruiting offices answering a call to arms to fight to retain Thrace for the Greeks.

Indignation, stirred by fanatical speakers, ran high upon reports that Mudania conference had decided upon Grecian evacuation of Thrace and the handing over of a portion of Europe to the Turks.

A report spread that Mustapha Kemal had again started a hurried conscription of troops in Asia Minor. It was also reported that Venizelos had counselled the Greek cabinet not to agree to evacuation of Thrace. Neither of these reports was confirmed.

KLAN TO PARADE

Muncie, Ind., Oct.5.— Following suspension of Chief of Police Van Benbow on the grounds that he had failed to stop a Ku Klux Klan parade two weeks ago as ordered by the police board, members of the Klan announced today that another street parade was scheduled for Friday night.

JURY CALLED FOR FRIDAY

The jury has been called for service in the circuit court Friday, when the case of the State against Virgil R. Miller is set for trial. Miller is charged with wife desertion.

Power of the Sun's Rays.

The sun's radiant energy has been estimated as being equal to that which would be required to pump from the ocean enough water to supply a Niagara 75,000 miles wide. To equal the energy which the earth receives from the sun would call for a row of Nargaras encircling the earth three times, with every foot-pound of energy utilized in electric horse power.

Don't "Baby" Corns

Don't pet and coddle, nurse or "doctor" such annoying joy killers. Banish them—quickly, painlessly, forever with

"GETS-IT"

Not only hard corns or soft corns but every kind of corn or callus surrenders to "Gets-It" and peels right off. It takes just a few seconds to stop the pain with two or three drops. Go to your druggist today. Get a bottle of "Gets-It." Your money back if it fails to peel them off. Used by millions. Costs but a trifle. E. Lawrence & Co., Mfrs., Chicago.

PERSONAL POINTS

—Eloise Kelly spent Wednesday in Indianapolis, the guest of friends.

—Miss Irene Abernathy was a visitor in Indianapolis Wednesday.

—Joseph E. Hardin of near Gwynneville transacted business in this city today.

—Mr. and Mrs. Floyd J. Six of Gwynneville were business visitors in this city today.

—Joe Williamson went to Hamilton O., this morning, where he attended the Butler county fair.

—Miss Orpha Wagons left Monday for Muncie, Ind., where she entered Muncie State Normal College.

—Mr. and Mrs. Ben Sparks and Miss Meida Priest motored to Indianapolis this morning where they spent the day.

—Harold Perkins and Eugene Kelly spent Wednesday evening in Connersville and saw "Kathleen" at the Auditorium.

—The Misses Jennie and Minnie Creekmore will go to Indianapolis this evening where they will make their future home.

—Mrs. Fred Knecht and Mrs. A. G. Shauck were passengers to Indianapolis Wednesday morning, where they spent the day.

—William Moffitt has returned home from Indianapolis after attending the Knights of Pythias Grand Lodge convention.

—Jesse Pugh, Charles Frazee, Will Frazee, Carl Beher, Lee Endres and Robert Tompkins motored to Cincinnati, Ohio, today.

—Mrs. Phil Wilk left today for Washington, D. C., where she will make a visit, having accompanied her daughter, Mrs. Miller Hamilton, and son James, to their home after a visit in this city.

—Miss Mildred Kirk has returned to her home in this city from Indianapolis where she has been spending several days. She was accompanied home by her cousin, Miss Margaret Geraghty, who will remain for a few days visit.

—Mrs. Mary Walton and daughter, Ada Walton, returned home yesterday afternoon, after a week's visit with her daughter Mrs. John Scott, and son Bert Walton, and wife in Indianapolis.

New York—H. A. Kramer left this note to his employee: "Clean the store thoroughly" and lock up. Burglars saw the note first. They did.

Warren—A two quart copper container that fits over the abdomen is the latest equipment of retail bootleggers here.

New York—Julius Redmond was fined \$5 on a charge of cruelty to animals. He tried to kill a sewer rat but it escaped after Redmond hurled a brick.

New York—No milk diet is for baby Louie Flores. He wants beef steak. At the age of five days he is now the proud owner of eight pearly teeth.

A Business Motive Power

The time must come when all businesses will consider the advisability of advertising in the same spirit that a manufacturer ponders over the advisability of adopting a new machine. One does not install a piece of labor-saving mechanism because it suits his fancy; but because the efficiency of the business requires it.

He expects the new machine to reduce his cost to operate—perhaps to make a better product—and thus aid him in meeting competition and making larger profits.

Advertising is exactly similar. The man who refuses to consider it as a possible expedient, simply shuts his eyes on one of the problems of his business. He might as well ignore the banks as sources of credit when he has need to borrow capital.

On the other hand, the man who looks to advertising to checkmate all weaknesses and shortcomings of his business and to carry it along to victory despite these, has a childlike faith in the miraculous.

Advertising will not make his product or his service any better than they are; but it will bring him the full benefits of their merits. It will not eliminate wastefulness in his factory or his store; but it will reduce his cost to operate. It will not make illogical selling methods successful; but it will assist good selling methods and often point the way for improving them.

Advertising is the most inexpensive motive power that the manufacturer or merchant can buy today. It is a form of stimulus that brings excellent returns on the investment.

## MANY GAMES ARE SET FOR SATURDAY

Ten of the Eleven Hoosier College  
Teams Will be in Action on Grid-  
irons of Country

### TWO BIG TEN CONTESTS

Indiana Meets DePauw at Bloom-  
ington and Purdue Will Play Millikin  
at Lafayette

By HEZE CLARK  
(Written for United Press)

Indianapolis, Ind., Oct. 5—Ten of the eleven Hoosier college football teams in Indiana will be busy Saturday Oct. 7. Some will play other teams from this state while others are meeting the college elevens from other states.

The two most important games are played by the two Universities which are members of the Big Ten Western conference. These two are Indiana and Purdue. Indiana meets DePauw University at Bloomington while Purdue is scheduled to play James Millikin, at Lafayette. It is the first game for both Indiana and Purdue. Both are meeting strong opponents.

DePauw may surprise Indiana. Reports from Bloomington are that Indiana has a strong team, but the change in coach staff may prove a handicap in early games. DePauw however has had a change in its coaching staff, but the Tigers got an early start at practice and are going good. Purdue will find the team from Illinois will be a hard one to stop.

Notre Dame should have little trouble in beating St. Louis U in a game to be played at Notre Dame. Butler will meet the Chicago Y. M. C. A. College. Butler lost to the Chicago team 14 to 7 last year. The game Saturday will be played in Indianapolis.

Wabash will play Lake Forest. The game will be played at Crawfordsville and Coach Pete Vaughn's team will find the team from Illinois a much stronger aggregation than Wabash played last week.

Valparaiso meets Kalamazoo at Valparaiso. The Michigan eleven will give Hoosiers a real game. Rose Poly plays its first home game; Rose Poly will meet Hanover college at Terre Haute.

Franklin will not play this week. Earlham is scheduled to meet Dayton U at Dayton O.

Four Indianapolis high school teams have games this week and all are scheduled to play away from home. On Friday, Oct. 6, Manual Training high school will play Wabash; Shortridge meets Elwood at Elwood; Cathedral will play Noblesville at Noblesville. On Oct. 7, Technical is scheduled to play Logansport high school at Logansport.

### Ladies In Tights Barred From Polo Grounds by General Consent of Fans

Continued From Page One.

Nick's latest includes the playing of a slow motion picture tennis game. They both fainted when the lady in tights appeared.

The umpires decision could not be heard in the press box. They were drowned by the rattle of noiseless typewriters and silent telegraph instruments.

The umpires decision could not be heard on the field either, because the players gave their decisions in a louder tone of voice.

Hip pocket bootleggers in the bleachers reaped a harvest. Ordinary four bit "geesers" were sold at seventy five cents a copy.

And Joe Bush wore the red under shirt he got for the 1909 series.

### GOOD PROSPECTS FOR TEAMS

Warsaw, Ind., Oct. 5—Warsaw has prospects for one of the fastest Independent basketball quintets in northern Indiana this year. Included in the squad are; Leininger, who starred with Akron last season; Charles Kern of Mentone, coach of the Beaver Dam high school five; Walter Hall, of North Webster and coach of the Pierceston high school and Charles Robinson who starred with the Warsaw high school quintet last year.

Old newspapers for sale, 5c per bundle at Republican office.

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, Oct. 5—Jack McAuliffe, former lightweight champion of the old bare knuckle days, who is proud of his title as the only retired unbeaten champion, is getting back in a war-like mood over stories printed in New York that he, his record and his title are the bunk.

"I was the recognized 133-pound champion for twelve years. I held the title longer, defended it more times and went through more finish fights than any other champion of any other class," Jack says in self-defense.

"When I started fighting in the professional ring in 1885 there were only four classes, the featherweight, lightweight, middleweight and heavy-weight and the featherweight division didn't amount to much.

"There was no recognized world's lightweight champion until 1886, when I claimed the title after Jimmy Mitchell refused to fight. Edward Holske, a writer on the Boston Police News gave me a belt to defend as the lightweight champion and I retained it by knocking out Bill Frazier in twenty-one rounds in Boston Oct. 29, 1886.

"In 1887 Harry Gilmore, champion of Canada, came down with a belt supposed to be emblematic of the international lightweight championship. I fought Gilmore with skin gloves in Lawrence, Mass., on Jan. 14, 1887. In the twenty-eighth round he gave up with a broken nose and I was almost blinded. It was a tough fight and I won the belt.

"After the Gilmore fight, the Boston sports raised a purse of \$1,000 and gave me another belt to defend as the world's champion. The belt was stolen some years later out of my saloon in Brooklyn and was given to Jem Carney, the Englishman, who still holds it.

"Later in 1887 the Police Gazette presented me with a belt in recognition of the world's lightweight championship. I hooked the belt and put the money on Blue Wing in the Brooklyn Handicap and he was second by a whisker.

"The editor of the Police Gazette

got the belt out of the pawnshop, had it done over and presented it to Terry McGovern. Sam Harris, who used to managed McGovern, still has the belt.

"I never kept track of the belts. Money used to go easily in those loose days and I was usually in need of cash, so I hooked them just as soon as I got them. When friends would ask to see them I would tell them that they were too valuable to carry around and that I had them locked up in the safe.

"When I retired in 1897, a big doings was arranged in the old Wallick Theatre. The late John L. Sullivan, master of ceremonies, was to announce my retirement and introduce Kid Lavigne as the next champion. He went through with a long speech and then turned to me and asked for the belt. I told him I would give it to him after the show. I was all dolled up in the full dress and I nearly had it torn off by Sullivan afterwards, when I handed Lavigne a hook ticket for the belt."

McAuliffe claims to have been the first champion under the Marquis of Queensbury rules in 1886 when he knocked out Frazier. He fought under both rules, making 133 pounds for the Queensbury rules and 135 under the old London prize ring rules.

"There were very few lightweights in those days who weighed less than 140 pounds. The biggest purse, I ever had offered me was \$45,000 to meet Dick Burge at Coney Island. He weighed around 140 pounds and he refused to mke 133 pounds so the fight was called off," McAuliffe says.

In defense of his four belts, McAuliffe fought a draw with Jem Carney in 1887; knocked out Sam Collyer, England, in 1888; knocked out Jake Hyams in 1888; fought a draw with Billy Myers in 1889; knocked out Jimmy Carroll in 1890; won from Austin Gibbons in 1891 when the police stopped the fight and knocked out Billy Myers in 1892. He retired in 1897.

## BASKET BALL GOODS

THE WILSON J4 OFFICIAL BASKET BALL is the liveliest ball made, because—

It's exclusive patent lining prevents any stretching or bulging. It holds more air under a greater pressure than an unlined ball. The unlined ball stretches and cannot retain its life. This ball has been adopted as official by many of the most prominent colleges and other athletic organizations. IT'S A REAL BALL.

## GUNN HAYDON

# SOCIETY

Edited By Miss Edna Krammes  
Phone 1111

The first meeting of the Delphian Society for the fall season will be held at the Elks club Friday afternoon at two-thirty o'clock.

Miss Mattie LeClere and Leonard McFarland, both of Switzerland county, Indiana, were married at the Main Street Christian church parsonage Wednesday by the Rev. L. E. Brown.

The Grand Club enjoyed a delightful meeting this afternoon at the

## Facts About Child-Birth

An eminent physician has shown to thousands of expectant mothers just how to be free from dread, and from much of the suffering which many mothers experience for months, right up to the moment when the Little One arrives!

Mrs. Wm. Washington, 107 Louise Ave., Nashville, Tenn., says: "There is positively no woman on earth that would be without 'Mother's Friend' during expectancy if she only knew the value of comfort."

"Mother's Friend" is externally applied to the region of the abdomen, back and hips. It relieves the tension on nerves and ligaments as month follows month. Finally, it makes child-birth a joy instead of a painful dread.

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., B.A.-47, Atlanta, Ga., for a free wonderful book containing information every expectant mother should have. Get a bottle of "Mother's Friend" today. It is sold by all druggists—everywhere.

home of Mrs. Frank Wilson in North Main street. Cards was the social diversion for the afternoon and a delicious luncheon was served.

The Y. P. C. U. of the First United Presbyterian church will hold their regular monthly business meeting and social in the church rooms Friday evening. All members of the organization are requested to be present.

Miss Marie Clark was hostess to the members of the Psi Iota Xi sorority Wednesday evening at her home in West Fifth street. The regular business meeting was conducted and a social hour enjoyed. The hostess served light refreshments as a closing event of the meeting.

Mrs. Walter Hubbard entertained the members of the Thursday Afternoon Bridge club this afternoon in West Second street. The ladies enjoyed the afternoon over the card tables and delicious refreshments were served by the hostess at the close of the games.

The Glenwood Christian Missionary Society observed guest day Tuesday with an all day meeting and a bountiful pitch-in dinner at the noon hour. In the afternoon following the devotion and business period, Mrs. J. D. Case and Mrs. Martha Grindle of this city gave an excellent account of their tour through the Oriental countries, which was greatly appreciated and enjoyed by the sixty members and guests present.

The Pythian Sisters and brothers will meet at the K. of P. hall Sunday afternoon not later than two o'clock to go to the home of Mr. and Mrs. Rue Webb, south of the city, where the annual pitch-in supper will be served. All the Pythian Sisters and brothers are cordially invited and urged to bring well filled baskets, their own dishes and silverware. Way will be provided for those who have no means of getting to the Webb home.

The Misses Helen Thomas, Martha Fanning and Margaret Mahin and

Mrs. Earl Moore, Mrs. Paul Newhouse, Mrs. Charley Wilson and Mrs. Roy Harrold, of the Tri Kappa sorority, went to Connersville Wednesday evening and saw "Kathleen" at the Auditorium, given under the auspices of the Tri Kappa sorority of that city. The local sorority chapter presented "Kathleen" in this city several weeks ago, and the leading man, Denning Havens, also appeared in the production in Connersville last evening.

Mrs. Stella M. Davis and niece, Miss Veva G. Seward of Arlington, and Mrs. Norm Conde of this city, motored to Anderson last Friday afternoon and spent the night with Mr. and Mrs. Lou Frazee. Saturday morning they joined a party and motored to Royal Center to attend a family reunion of Mrs. Adam Seward's family. Mr. Seward died several years ago and his widow and eight children are still living. All were present for the reunion and a very pleasant time was enjoyed by all present.

Miss Magdaline Arbuckle has been initiated into the Delta Delta sorority at Butler College. Miss Arbuckle who is the daughter of Mr. and Mrs. E. O. Arbuckle of this city, is a sophomore at the college.

### Promotion Day Observed

Promotion Day was observed in the Big Flatrock Sunday School at which the following program was given Sunday:

Music.  
Recitation, "The Rosebud Regiment".

Talk by Cradle Roll superintendent, Mrs. Calvin Hungerford.

Presentation of cradle roll certificates.

"Class Work for Beginners", Miss Florene Hungerford, teacher.

Presentation of certificates Cradle Roll to Beginners.

Class work for Primary, consisting of Scripture quotations, Lord's Prayer, 23rd Psalm, Story of David, Miss Mary Hungerford and Miss Lena Hungerford, teachers, and presentation of certificates.

Class work for Juniors; history of the Jewish nation from the creation until the Birth of Christ, 1, Creation, Lillian Tones; 2, Flood, Mildred Hungerford; 3, Call of Abram, Ael Allen; 4, Stories of the Patriarchs; 5, Bondage and Exodus; 6, The Ten Commandments, Dorothy Meyers; 7, Conquest of Canaan; 8, Period of the Judges; 9, The United Kingdom; 10, Composition, Solomon's Temple, Klye Thrall; 11, Scripture Quotations, Delores Hasty; 12, The Kingdom Divided; 13, The Captivity; 14, Return from Exile; 15, Intervening History.

Presentation of Certificates, Mrs. Elmer Hungerford, teacher.  
Recitation, "The Call to the Church," Mildred Hungerford.

**I. & C. DENIES BUILDING SITE**  
Connersville, Ind., Oct. 5.—Acting in compliance with remonstrances filed by property owners, the city Council has voted not to permit the Indianapolis and Cincinnati Traction Company to build a depot at Sixth street and Central avenue. The Company was proposing to build a station and to construct a "Y" for turning its cars in a residence district several blocks away from the present location of the depot. Citizens were of the opinion that it would decrease the value of their properties.

### TO PROBE GRAIN PRICES

Washington, Oct. 5.—Investigation of alleged manipulation of grain prices will be conducted in New York on Friday and Saturday by the Federal trade commission, it was announced today. Further testimony will be taken in Chicago from Oct. 10 to 16.

### G. A. R. MEETS SATURDAY

The Grand Army of the Republic will meet in regular session Saturday afternoon at two o'clock in the Grand Army room in the court house, and all members, and other Civil War Veterans are urged to attend the session.

### BABY BOY BORN

A baby boy weighing 9½ pounds was born this morning to the wife of Reeve Woods, west of Rushville. The child has been named Robert Floyd.

### LICENSED TO WED

A marriage license was issued today to Leonard McFarland, a farmer of Vevay, and Mattie Leclere, also of Vevay.

The Raleigh Women's Cemetery association will hold a jitney supper at the Township Hall, Saturday evening, October 17. Serving will begin at five o'clock. The proceeds will be used for the benefit of the cemetery.

## AUTUMN ANNOUNCEMENT OF THE NEW MODE IN SUITS AND COATS By PRINTZ

ANOTHER season with its fascination of new fashions! Greater charm than ever is revealed in this season's styles—charm that finds its highest degree in the new Printz models which we now have the pleasure of presenting in an opening display.

In this presentation, all the exclusive Printz features are in evidence. A wide range of styles is offered for your various needs—trim tailored suits of tricotine, trico cord and tweed, and suits of semi-dress. Smart tailored dresses are a new feature of the Printz line.

As for coats, never have they been more beautiful! Such soft, deep-piled fabrics, richly fur-trimmed in the dressier modes; or mannish-tailored in thick double faced materials. And in

all, moderately priced or more costly, the Printz standard of values in fabrics, design and tailoring, prevails.

Another and a new advantage offered is the Printz are of lines, developed for different figure types. Every Printzess suit and dress is designed for certain figures—to give them the most becoming lines and best proportions. We are prepared to help you apply this "personalized style" service in analyzing your own figure needs and selecting a style specially adapted to them.

We cordially invite you to see our opening display of Printz models and the many others we are showing. You will find our store has anticipated your autumn needs in all the smart accessories of dress. We urge your prompt attendance while selections are still complete.

Prices in Printz Modes range from \$25.00 Up.

## Guffin Dry Goods Co.

### Letters Written In Haste Can Be Stopped In Pinch, Is New Rule

Postoffice Department at Washington Finds Solution for Withdrawing Letters From Mail After They Have Been Posted. Rule Even Includes Provision Where Message May be Sent Ahead For Mail Clerk to Dig Around Letters For the One That is to be Withdrawn

to the postal authorities that the person seeking to have the letter withdrawn was the writer.

If your description of the letter tallies accurately with the letter when it is found.

If the handwriting you submit as proof is identical with the handwriting on the letter.

The ruling is said to go even further. In cases of emergency, it permits postmasters to telegraph railway mail clerks instruction to fish out letters from mail pouches in the course of delivery and return them to the postoffice where they were postmarked.

Even though these rulings are reported to be recent, postal officials quoted cases where they have found it much more convenient to telegraph the postmaster at the town designated as the designation of the mail, asking that delivery of same be stopped and the mail returned to office from where the letter was mailed. Obviously this is much less confusing than putting a train mail clerk to work of ransacking through mail in transit.

Of course, in any case, the one wishing the mail stopped must pay for the telegram giving the order, but the message is sent in the name of the local postmaster.

Scratch Pads for ink or pencil, 2 If ample proof can be submitted for 5c. The Republican Office.

### SUES ON NOTE AND ACCOUNT

## DEADLOCK SHOWS IN WAGE DISPUTE

Delays Decision Of Railroad Labor Board On Increase Of Maintenance Of Way Men

### TWO CENT AN HOUR BOOST

Proposed By Three Public Members Of Board, But Labor And Rail Group Disagree

(By United Press)  
 Chicago, Oct. 5.—A deadlock between the three groups of the railroad labor board has caused an indefinite delay of the railroad labor board decision on a wage increase for 400,000 maintenance of way men, it was indicated today.

The three public members of the board were understood to favor a 2 cent an hour increase of approximately 330,000 common laborers. This would add approximately \$16,000,000 to the yearly payroll of the railroads, it was estimated.

According to reliable information, the labor group and the railroad group refused to agree on this boost. The former held that the increase was too small; the latter against any pay boost.

At the same time it was announced that an agreement was reached between 49 western railroads and the Brotherhood of Railway Trainmen and railway conductors maintaining the present wage scale and conditions for one year.

Executive sessions on the maintenance of way dispute will continue. The maintenance of way men are now in convention at Detroit and a bitter fight is predicted over the delay of the labor board decision. Bitter opposition to President E. F. Grable developed last July when Grable held up a strike vote pending a rehearing of the wage question.

## AILING WOMEN OF MIDDLE AGE

Mrs. Linton Tells How Helpful Lydia E. Pinkham's Vegetable Compound is at This Period

Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound!' So I let him get it, and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.

LIGHT-SIX SEDAN

\$1550

*Studebaker*

## Let Us Show You the Difference!

Vibration is destructive. It shortens the life of a car. It takes the pleasure out of riding because it causes rattles, squeaks and other irritating noises.

Vibration is particularly annoying in closed cars.

There is no perceptible period of vibration in the Studebaker Light-Six at any speed. This is due in part to Studebaker's method of machining the crankshaft and connecting rods on all surfaces. No other car, at anywhere near the price, follows this practice.

Lack of vibration and the quiet, smooth-running motor find quick approval from everyone who rides in the Light-Six Sedan.

And every driver is similarly enthusiastic over the way it throttles down to a walking gait in high gear—and the quick response that follows the touch of the accelerator.

Aside from its mechanical excellence, the Light-Six Sedan is notable for its sterling coach work. The substantial body, like the chassis, is built complete in Studebaker plants. Materials and workmanship are of highest grade.

Long, semi-elliptic springs and deep, restful, nine-inch cushions afford genuine comfort. Upholstery is of a rich, mohair velvet plush—good-looking and durable.

Today's price is the lowest at which the Light-Six Sedan has ever been sold. The name Studebaker on your car is the best protection you can have!

Exhaust heater. Eight-day clock. Thief-proof transmission lock. Cowl ventilator. Side coach lamps. Rain visor and windshield cleaner. Inside locks on three doors and outside lock on right-hand front door. Side roller-curtains. Four doors that swing wide open. Dome light. Mohair velvet plush upholstery.

# LAND AUCTION

## ONE FARM of 134 Acres

and

## ONE FARM of 154 Acres

Adjoining the City Limits of Rushville, Indiana, known as the Theodore Abercrombie Farm

The undersigned commissioner, by virtue of an order of the Rush Circuit Court, made and entered in the cause therein pending, entitled *Ione Churchill vs. Guy Abercrombie et al.*, and numbered 2657 upon the dockets thereof, hereby give notice, that upon the premises immediately north of the city limits of Rushville, Indiana, on the Knightstown pike, at 2:00 O'CLOCK P. M. on

# Saturday, Oct. 14th, 1922

he will offer for sale at public sale, at not less than two-thirds of the appraised value thereof, the following described real estate situated in Rush County, Indiana, to-wit:

## 154 ACRE FARM

The west half of the northeast quarter of Section thirty-one (31), Township fourteen (14), Range ten (10) and the east half of the northeast quarter of Section thirty-one (31) Township fourteen (14), Range ten (10) except the following tract:

Beginning at the southeast corner of the northeast quarter of Section thirty-one (31), Township fourteen (14) Range ten (10), running thence west 608.5 feet; thence north 197.5 feet, thence east 165 feet, thence north 406.5 feet, thence east 443.5 feet, thence south 604 feet to place of beginning, leaving a total acreage of 153.94/100 acres, more or less.

## 134 ACRE FARM

Also the following tract: All that part of the west half of the northeast quarter of Section thirty-two (32), Township fourteen (14) north, Range ten (10) east, that lies north of the north line of the right-of-way of the P. C. C. & St. L. Railway Company more particularly described as follows: Beginning at the northwest corner of said half quarter section; thence east along the north line of said half quarter section twelve hundred and eighty-four (1284) feet to the point where said north line of said half quarter section intersects the north line of right-of-way of said P. C. C. & St. L. Railway Company; thence in a southwesterly direction along the said line of said right-of-way eighteen hundred and forty (1840) feet, to where the same intersects the west line of said half quarter section; thence north along said west line thirteen hundred and twelve (1312) feet to the place of beginning, containing in said described tract nineteen and thirty-four hundredths (19.34) acres, more or less.

Also beginning at the southeast corner of the northwest quarter of Section thirty-two (32), Township fourteen (14), Range ten (10) and running thence north twenty-six hundred and forty-three (2643) feet; thence west twenty-seven hundred and sixteen (2716) feet; thence south fourteen hundred and thirteen (1413) feet; thence east 1354.5 feet; thence south five hundred and seventy-seven feet; thence east six hundred and seventy-nine (679) feet; thence south 661.5 feet; thence east six hundred and seventy-five (675) feet to place of beginning, with the exception of Pennsylvania Railroad right-of-way, being a strip of land twenty-five (25) feet wide on each side of a center line described as follows: Beginning at a point 675 feet west and 600 feet north of the south-east corner of the northwest quarter of Section thirty-two (32), Township fourteen (14) Range ten (10), and running thence in a northeasterly direction 971 feet to a point 1301 feet north of the southeast corner of the northwest quarter of Section thirty-two (32), Township fourteen (14) Range ten (10) leaving a total acreage of one hundred fourteen and ninety-four one-hundredths (114.94/100) acres, more or less.

The farm land above described to be sold in two (2) separate parcels, one being the land west of the Knightstown pike, which consists of one hundred and fifty-four (154) acres.

This farm is all black, burr-oak soil, has a

## LARGE BARN

on it, 45x70, and a

## DWELLING HOUSE AND ORCHARD

This land is very fertile and all under cultivation except about twenty (20) acres, which is in woods pasture. It also has two (2) double corn-cribs, tool-sheds, hog-houses, new driven well, cement feeding platform; it is

## WELL FENCED AND WELL DITCHED

For farming purposes there is no better farm in Rush County. This farm joins the north corporation line of the city of Rushville and is adjacent to that part of Rushville where all the new expensive homes have been built in the last ten years and contains the most desirable available ground for plating into city lots. There is a railroad along the west side of this farm which would make that part of it desirable for factory sites. Taking everything into consideration, it is the most valuable farm in Rush County, and is offered for sale only because of the necessity of a partition among the heirs who now own the same.

The land east of the Knightstown pike consists of one hundred and thirty-three (133) acres, has

## A NEW BUNGALOW

built in the year 1919 on the same, a large and

## CONVENIENT BARN AND HOG HOUSES

two (2) good wells, is well ditched and fenced and

## VERY FERTILE LAND

The south line of this land is also the corporation line of the city of Rushville, and the Pennsylvania Railroad intersects a portion of this land, making it desirable for factory sites. The last addition laid off and taken in by the city of Rushville adjoins this land immediately on the south.

Both of these farms are appraised at a price at which any purchaser can easily afford to buy them and farm them until the greater part of the land comes in demand for plating into subdivisions for building purposes.

This Land is the MOST DESIRABLE and VALUABLE FARM ever offered at public sale in Indiana. It will positively be sold to

## THE HIGHEST BIDDER

on this date, if an offer equal to two-thirds its appraised value is made.

This is a bona fide sale to the highest bidder as all the other real estate owned by these heirs has been divided among them and it is the desire and wish of all the present owners to dispose of this land. The farms will be shown to anyone interested any time before the day of the sale. Full possession will be given January 1st, 1923.

## TERMS OF SALE

At least one-third (1/3) of the purchase price cash and the balance in two (2) equal instalments payable respectively in not to exceed nine (9) and eighteen (18) months. Deferred payments to be evidenced by notes of the purchaser, bearing six per cent. interest from date and secured by a first mortgage on the real estate sold. The purchaser to have the option of paying all cash.

## WESTERN BOY IS CONTEST WINNER

Stanley Newcomb, San Diego School Boy, Has Best Article on Subject of Safety

400,000 PUPILS COMPETED

Students From All Over The United States Took Part in Competition for Various Awards

Washington Oct. 5—Highest honors open to elementary school pupils of the nation were won by Stanley Newcomb, eighth grade, Lincoln school, San Diego, California, who wrote the best paper in a national safety essay contest last autumn, according to announcement here today by the Highway Education Board.

Competing with him for this honor were more than 400,000 elementary school children from every state, territory and possession, said to be the largest number ever to participate in a national essay contest. As a reward he is entitled to a gold watch and a trip to Washington D. C., with all expenses paid, where he will be the guest of officials of the Highway Education Board, the National Automobile Chamber of Commerce, which offered the prizes in the contest, and dignitaries and officials of the Nation.

Miss Merlene Beck, a pupil in the Draper, Utah, public schools won second honors, a gold loving cup, and James Edward Gillenwaters, Knoxville, Tennessee, pupil, was awarded third honors, a silver loving cup. In addition to these national prizes, 478 state prizes were given for essays, including 54 gold

medals and checks for fifteen dollars.

The San Diego boy's essay was chosen by a process of elimination. It was first selected as the best from this city, and then as the best from the state of California. The best state and territorial essays were then submitted to a national committee named by Dr. John J. Tigert, United States Commissioner of Education and chairman of the Highway Education Board.

Mrs. Warren G. Harding was honorary chairman of the national essay committee. Other members were Senator Coleman du Pont, Delaware, Mrs. John D. Sherman, Estes Park, Colorado, chairman Applied Education Committee of the General Federation of Women's Clubs, and Dr. William T. Bawden, Washington, D. C., assistant to the Commissioner of Education.

The subject of the essays was "How I Can Make the Highways More Safe". At the time the essay was written the national winner was 13 years old. He is the only son of a widowed mother, and says his ambition is to be an editor. His watch will be presented to him by Dr. Henry C. Johnson, city superintendent of schools, San Diego, and he probably will come east with Superintendent Johnson in February, stopping in Chicago to attend the national convention of superintendents of schools. Stanley Newcomb is a Boy Scout and is said by Superintendent Johnson to be one of the brightest students in San Diego schools.

A similar contest is being announced again by the Highway Education Board as part of its "Safety Season" for 1922. The contests have been instrumental in reducing traffic accidents among children.

Stanley Newcomb's essay in part follows: "People throughout the land are awakening to the fact that we are facing a great national problem. 'What I Can Do To Make the Highways More Safe' is a subject which should receive serious consideration by everyone. Applied personally, I am such a small speck of humanity in this great world that at first it seems presumptuous to imagine that I can be of assistance. On further consideration it occurred to me that if all the little specks, children from coast to coast, will earnestly discuss the problem with parents, teachers, and companions, and will take precautionary measures to prevent accidents, it will aid greatly in decreasing the number of auto injuries and fatalities."

### NOTICE TO NON RESIDENTS

State of Indiana, Rush County, ss: Fannie Stonecipher vs. William McCleary, et al.

In the Rush Circuit Court, September Term, 1922. Complaint to quiet title. No. 2821.

Notice is hereby given the said defendants William McCleary, the unknown heirs, legatees and devisees of William McCleary, George Frybarger, the unknown heirs, legatees and devisees of George Frybarger, William Walton Frybarger, the unknown heirs, legatees and devisees of William Walton Frybarger, William C. Robinson, the unknown heirs, legatees and devisees of William C. Robinson that the plaintiff has filed a complaint herein which is a complaint to quiet title.

Together with an affidavit that the said defendants, William McCleary, the unknown heirs, legatees and devisees of William McCleary, George Frybarger, the unknown heirs, legatees and devisees of George Frybarger, William Walton Frybarger, the unknown heirs, legatees and devisees of William Walton Frybarger, William C. Robinson, the unknown heirs, legatees and devisees of William C. Robinson are not residents of the state of Indiana, and that unless they appear on the 20th day of November 1922, which is the 1st judicial day of the November Term of said court, at the Court House in the City of Rushville, in said County and State, the said cause will be heard and determined in their absence.

Witness, the Clerk and the seal of said Court, affixed at the City of Rushville this 19th day of September A. D., 1922.

Loren Martin, Clerk.  
Benjamin F. Miller, plaintiff's Attorney.

## Bright Spots in News

Cleveland—John O'Reilly bumped into John Thomas on the street. Thomas told O'Reilly he "was so clumsy he should wear a fender". Thomas was taken to the hospital. O'Reilly is a policeman.

English, Ind.—Estella Newkirk, Odell, 19 bride of a few months, walked on sidewalks and saw a train for the first time when she came here to buy some things for her new home.

She had lived within ten miles of English all her life.

While waiting for the train, the girl was walking up and down the street and without embarrassment explained she was not accustomed to city ways when a friend told her to step on the side walk.

Chicago—Neighbors complained that Sing Lo, laundry man was playing Scotch music on his saxophone. Police investigated and found a horse in the last stages of asthma. The horse's name was Harry Lauderdale.

## A COLD GONE IN FEW HOURS

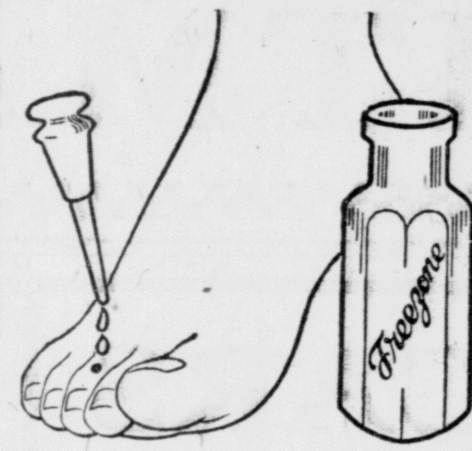

"Pape's Cold Compound"  
Acts Quick, Costs Little,  
Never Sickens!

In a few hours your cold is gone, head and nose clear, no feverishness, headache, or stuffed-up feeling. Druggists here guarantee these pleasant tablets to break up a cold or the gripe quicker than nasty quinine. They never make you sick or uncomfortable. Buy a box of "Pape's Cold Compound" for a few cents and get rid of your cold right now.

Cleveland, Ohio—Frank Christian feared highwaymen. He bought a revolver and a box of cartridges. By mistake he left the revolver at home but carried the cartridges. A police man found them in his pockets. He is in the work house for 30 days.

## CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

## CAR SENSE

Little defects grow into big ones in time if not corrected. The correction of a small defect in its early stages costs but little.

When left until it grows into serious proportions its correction runs into money.

That is what makes the maintenance of a car so expensive to many people—neglecting the little things they grow into big ones.

## MANY REFUGEES WERE TAKEN FROM SMYRNA

Evacuation At Request Of Turks Was Mainly Due To Efforts Of U. S. Relief Workers

### TAKEN TO AEGEAN SEA ISLANDS

London, Oct. 5.—Evacuation of all Smyrna's refugees was completed last Sunday within a few hours of the time limit set by the Turks, the foreign office announced.

Between 180,000 and 190,000 persons were removed to the little islands in the Aegean sea and the Gulf of Smyrna, mainly due, the announcement said, to efforts of American relief workers who also arranged for food and supplies at the island of Mitylene and elsewhere.

In addition to American ships transporting 10,000 refugees America assumed charge of Greek ships which removed a great majority of the refugees.

Eighty thousand greek refugees are on Mitylene island and 12,000 at Marmora.

## WILL ADMITTED TO PROBATE

Estate Of Marcus Kendal Goes To Widow and Children

The will of the late Marcus A. Kendall, who expired last week at his home just east of Glenwood, has been probated in the Fayette circuit court. One-third of the estate, which is valued at several thousand dollars, including considerable farm land near Glenwood, goes to the widow. Three of the children, Howard, Marcia and John, are willed the sum of \$3,000 each. The remainder of the estate is left to the four children of the deceased, the three named above and Mrs. Vern W. Norris of Rushville.

Judge Will M. Sparks of this city has been named special judge in the case of Lillian Frank against Henry J. Snyder, a suit for support money, following a divorced decree, in which the plaintiff has since remarried.

Makes Stoves Shine

Is different. Lasts four times as long as ordinary polish and gives your stove a brilliant, silky finish. Will not rub off or dust off—makes your stove look like new.

Made by a special process of the highest grade materials. Economical too—used less often and does not waste. Will not settle and cake in the can—the last drop works like the first. Made in paste and liquid; same quality, same results. Just try it—once you will convince you. Order from your dealer today.

Use Black Silk Air-Drying Iron Enamel on grate, cooking stove-pipe—prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for use on automobiles.

## REVIEW IS MADE OF LAST SERIES

Continued from Page 5.

In third game of series, Friday October 7, against Shawkey, Quinn, Collins and Rogers. Previous record, 16 made by New York Nationals against Wood and Hall of Boston Americans in 1912 and equaled by Cincinnati Nationals against Williams, James and Wilkinson, Chicago Americans, 1919.

Greatest total attendance—269,977, surpassing record of 251,901 made in 1912 for eight games between New York Nationals and Boston Americans.

Greatest amount for players share of receipts—\$302,522.23 surpassing previous record of \$260,349.66 in series between Chicago Americans and Cincinnati Nationals.

Most runs in one inning—Eight, made by New York Nationals in seventh inning of third game, Friday, October 7, against pitcher Quinn, Collins and Rogers of New York Americans. Best previous record in one inning six. Made by New York Nationals against Wood of Boston in first inning of game at Boston, October 15, 1912.

First time two runs by one player in one inning—Frisch, New York Nationals, in seventh inning of third game, Friday, October 7.

First time triple and double by one player in one inning—By Young of the New York Nationals, seventh inning of third game, Friday, October 7.

Best batting average ever made, for first three games—Frisch of New York Nationals, .700.

Least number of hits by both clubs in one game—Five (three against Nehf of the New York Nationals and two against Hoyt of the New York

Americans) in second game, Thursday, October 6. Previous record, six (four against Piester of the Chicago Nationals and two against Walsh of the Chicago Americans) in third game of series at Chicago, October 11, 1906.

First time three games without a base on balls—Carl Mays, in first, fourth and seventh games. Previous record, one base on balls in three

games made by Matthewson in first third game of series at Chicago, Philadelphia Americans in 1905.

First series two players stole home, same club—McNally in first game and Robert Meusel in second game, for New York Americans.
